Macquarie Telecom Group expands Data Centre Services Deal with Fortune 100 Customer

Macquarie Telecom Group (ASX: MAQ) is pleased to announce that it has entered into additional contracts for the provision of data centre services to a Fortune 100 customer (the Customer).

These contracts are in addition to the contract announced with the Customer in May 2016.

The Customer has contracted for an additional 1.4MW of capacity to be provided over the remainder of the initial contract term. Macquarie Telecom Group will invest approximately \$8.4 million in data centre mechanical, electrical and plant over the next eight months to expand its capacity to meet this demand.

The additional capacity is expected to be ready for service for the Customer in Q4 FY19.
